

*Smittoidea pacifica* Soule & Soule, 1973. Tilbrook, Hayward & Gordon, 2001, p.78, Fig. 18E.

*SMITTOIDEA PACIFICA* SOULE & SOULE

(Fig. 18E)

*Smittoidea pacifica* Soule & Soule, 1973: 380, fig. 1E–H.

*Smittoidea pacifica*: Winston, 1986: 28; Ryland & Hayward, 1992: 268, figs 24e,f.

*Remarks*

Harmer (1957) included specimens of this species in his description of *Smittoidea levis* (Kirkpatrick, 1890) according to Soule & Soule (1973).

*Distribution*

Described from the Hawaiian and Galapagos Islands, *Smittoidea pacifica* is also known from the Caribbean and Venezuela (Winston, 1986), and from Heron Island, Great Barrier Reef (Ryland & Hayward, 1992). It was found encrusting coral rubble and shell at Port Vila Harbour and Iririki Island, Efate.
